

Joint Project Webinar

EIA procedure for the lifetime extension Loviisa 1&2, Finland

Thursday 8 Oct, 2020, 10-12am CET

Short introductory notes:

Gabriele Mraz, Austrian Institute of Ecology will make an introduction into the ESPOO Convention and trans-boundary EIA (Environmental Impact Assessment) application in practice.

Oda Becker, independent nuclear safety expert (Germany) will give an overview over aging-related safety hazards of the NPP Loviisa units 1 and 2.

Patricia Lorenz, FoEE, will explain the strategic importance of both ongoing EIA for NPP Loviisa 1&2 (Finland) and Doel 1 & 2 (Belgium).

Plenty of time for Q&A will be available afterwards.

The webinar will take place via Zoom on Oct 8, 2020, 10-12 a.m. CET. Checking in will be possible starting from 9:45 a.m.

To register send an email with your name and organization until 06 Oct 2020 to Gabriele Mraz, Austrian Institute of Ecology: mraz@ecology.at.

The day before the webinar you will receive a zoom invitation.

We are looking forward to meeting you in our webinar!

Patricia Lorenz and Gabriele Mraz for the Joint Project
